

Black Jersey Giants - Female

In the late 1800s New Jersey breeders created a chicken designed to rival the meatiness of the turkeys back then. The massive Black Jersey Giant was the result of merging the genetics of several large breeds. They grow slowly but eventually are a third larger than most other heavy breeds.

Purpose: Dual-Purpose

Production: 240 X-Large
Brown/ Yr

Temperament: Docile, Easy
Going

Mature Weight: 8-9 lbs.

Hardiness: Cold and Heat Hardy

Broodiness: Occasionally

Comb Type: Single Comb
