

Cornish Cross White Broiler (Male Only)

If you are looking for a fast-growing meat bird, these broilers should be your first choice. Cornish Cross Broilers require special feeding and care but grow astonishingly fast. They can weigh close to six pounds when only six weeks old by efficiently converting feed into flesh. Cornish Cross Broilers are the best choice for a person who wants to quickly produce delicious meat and has no plan to save hens for egg production. This batch is MALE Only - you can anticipate them being ready to process quicker and at the same time.
